1. Enclosed herewith is a report dated 16 April 1956 prepared by an Architect-Engineer from this Office after a visit to the project site. I am in agreement with the recommendations contained in paragraph III of the report provided a decision is reached by the Agency to retain this base.

2. In the event a determination is made to retain the base at [REDACTED], it is recommended that approval be granted for the rehabilitation of the facilities as set forth in the attached report at an estimated cost of approximately \$8,000.
